……..

Car

Brand & type :……

Registration plate N° ……..

I declare to take any disposition to minimize negative impact that my passage in forest with my car may cause (noise, pedestrian disturbance, forest roads damages, wildlife disturbance).

I am aware that the general rule do not allow engine powered vehicle in forest but the activity I am doing this day is an authorized exemption. So, I declare to respect the allowed itinerary this day & not to come back later with an engine powered vehicle.
